Where is the Money Going?

• Social Media management and advertising
• Email outsourcing
• Website development & maintenance
• Digital is often a combination buy

Borrell Associates 2018
Where The Money Is Going

Social Media Outsourcing

Realty agents spend half as much on advertising as the typical advertiser but nearly 2x the average on managing social media.

Even businesses with 10 or fewer employees spend big money on managing social media.

*Average annual expense for local businesses surveyed from April-July 2017
Source: Borrell's 2017 Local Advertiser Survey. N = 3,351 responses from all advertisers, 250 responses by franchisees, 189 real estate agents, 154 health care providers, 194 restaurants/bars, 1,652 tiny businesses (10 or fewer employees)
